(The cotton wool should be moist, but not soaking) Sprinkle cress seeds over the moist cotton wool. Leave your cress head propped upright on a sunny windowsill. Keep the cotton wool/tissue moist. Your cress head should grow green hair! (Cress tastes nice sprinkled on salads or sandwiches!)</p> <p>(1 credit for submission of a picture of your cress head to your teacher)</p> | <p>If you visit a museum or gallery with your family over Easter, find an exhibit or piece of art that particularly interests you. Write a description of it and/or draw a picture of it.</p> <p>(1 Credit upon submission of description and/or picture)</p> |

After the Easter holiday, show the evidence to your teacher for any activities that you have completed. You can then use the stamp codes to enter the credits (hours) for the activities that you completed onto your CU Online.
