Dear parents / guardians,

We are trying to make you aware of your dangerous parking around school. If you are found to be parking on the yellow zig-zag lines you may be fined £60+, you could also be given a parking ticket. Do not complain of this because it is your own fault, so do not blame it on the staff, children, or school.

You need to realise that the children are only 4-11 years old, and are trying to make their way into school safely.

Please listen and take note of this letter, if you do, you will be helping the children and staff at St. Julies school.

More importantly, keep everyone safe!

Yours sincerely, The year 6 school council: Mary, Ruby, Lucy, Sophie, Reanna, William Poppy[☺] and Andrew
