

## 40 Recommended Reading Books Year 1

Dear Parents,

We have carefully selected books that will hopefully capture your child's imagination. This list contains colour-bands and a description of the book so that you and your child are able to choose your favourites according to the book-band level and personal interests. Some books have a 'Lexile rating' included, this measures the difficulty level of the text; a higher lexile rating indicates a more difficult text. Where the Lexile rating has AD included this means 'adult directed' and are books you should share together.

Certificates will be awarded as your child reads and shares books from this list; your child will need to record a brief response to a reading task in their reading record (such as a description of a character). A bronze certificate will be awarded once they have read 5 books from the list, a silver award will be awarded after 10 and a gold award will be awarded once they have read 15.
