We have carefully selected books that will hopefully capture your imagination. This list contains colour-bands and a description of the book so that you are able to choose your favourites according to your book-band level and your personal interests. The 'Lexile rating' included measures the difficulty level of the text; a higher Lexile rating indicates a more difficult text. Certificates will be awarded as you read books from this list; you will need to record a brief response to a reading task in your reading record (such as a description of a character). A bronze certificate will be awarded once you have read 5 books from the list, a silver award will be awarded after 10 and a gold award will be awarded once you have read 15
