

THE CALL

It started out as a feeling,
which then grew into a hope.
which then turned into a quiet thought
which then turned into a quiet word.
And then that word grew louder and louder,
till it was a battle cry.
I'll come back when you call me.
No need to say goodbye.

Just because everything's changing,
doesn't mean it's never been this way before.
All you can do is try to know who your friends are
as you head off to the war.
Pick a star on the dark horizon and follow the light.
You'll come back when it's over,
No need to say goodbye.
You'll come back when it's over,
No need to say goodbye.

Now we're back to the beginning
it's just a feeling and no one knows yet.
But just because they can't feel it too
doesn't mean that you have to forget.
Let your memories grow stronger and stronger
till they're before your eyes.
You'll come back when they call you,
No need to say goodbye.
You'll come back when they call you.
No need to say goodbye.

YOU'RE IN THE BAND

Take a hold of your axe, and try to pluck out this riff.
Let your shoulders relax, You don't wanna be so stiff.
Keep on going don't stop,
Take it over the top,
Squeeze out every last drop,
Make each note really pop!
Give it one final wop and yes!
You're in the band

Turn a cello this way and it's practically like a bass.
Pop the strings when you play and watch how you shi

POP MEDLEY 2018

I LOVE MY LIFE

Tether your soul to me
I will never let go completely.
One day your hands will be
strong enough to hold me.
I might not be there for all your battles,
but you'll win them eventually.
I pray that I'm giving you all that matters
so one day you'll say to me
I love my life.
I am powerful, I am beautiful, I am free
I love my life
I am wonderful, I am magical, I am me,
I love my life.

HUMAN

Maybe I'm foolish, Maybe I'm blind
Keep thinking I can see through this
and see what's behind.
Got no way to prove it so maybe I'm lyin'
But I'm only human after all,
I'm only human after all,
Don't put your blame on me
Don't put the blame on me.

Take a look in the mirror,
what do you see
Do you see it clearer or are you deceived
in what you believe
'Cos I'm only human after all,
You're only human after all,
Don't put your blame on me
Don't put your blame on me.

Some people got the real problems
Some people out of luck.
Some people think I can solve them
Lord heavens above!
I'm only human after all,
You're only human after all,
Don't put the blame on me
Don't put the blame on me.

PLAY THAT SONG

Hey Mister D. J. When you gonna spin it

She invited all her friends and I'm buying all the

down
When you gonna play that song?
When you gonna earn that pay
When you gonna play that song and make my
day
She said Play that song.
The one that makes me dance all night long,
The one that makes me think of you.
That's all you gotta do eh eh eh
Play that song.
The one that makes me stay up till dawn,
The one that makes me go "ooh"
That's all you gotta do

HEROES

We go hideaway in daylight.
We go undercover when under sun.
Got a secret side in plain sight.
Where the streets are empty that's where we run.
Everyday people do everyday things,
but I can't be one of them.
I know you hear me now,
We are a different kind,
We can do anything.
We could be heroes
We could be heroes Me and you
We could be heroes
We could be heroes Me and you
We could be

CASTLE ON THE HILL

When I was six years old I broke my leg
I was running from my brother and his friends.
And tasted the sweet perfume of the mountain
grass as I rolled down.
I was younger then. Take me back to when.
I found my heart and broke it here,
made friends and lost them though the years.
And I've not seen the roaring fields in so long n'l
know I've come.
And I can't wait to go home.

I'm on my way.
Driving at Ninety down those country lanes.
Singing to Tiny Dancer and I miss the way you
make me feel it's real.
And we watched the sunset over the castle on
the hill
Oh over the castle on the hill Oh over the castle
on the hill
